

# Beechwood Junior School Equality Policy 2016-2020

Including quality information and objectives

## **Introduction**

We welcome our duties under the Equality Act 2010 as both a provider of education and as an employer. We believe that all pupils and members of staff should have the opportunity to be the best they can whatever their background, identity and circumstances. We are committed to creating a community that recognises and celebrates difference within a culture of respect and co-operation. We appreciate that a culture which promotes equality will create a positive environment and a shared sense of belonging for all who work, learn and use the services of our school. We recognise that equality will only be achieved by the whole school community working together - our pupils, staff, governors and parents/carers.

This document outlines the principles which will guide our approach to working with our school community and enabling an open culture.

## **National and Legal Context**

We recognise that we have duties under the Equality Act 2010 in relation to the school community to eliminate discrimination, advance equality of opportunity and foster good relations in relation to age (applicable only to staff), disability, race, gender (including issues of transgender), maternity and pregnancy, religion and belief, sexual orientation and marital status (applicable only to staff).

We also recognise that we have a duty under the Education & Inspections Act 2006 to promote community cohesion, i.e. developing good relations across different cultures and groups.

We also appreciate that these duties reflect the international human rights standards as expressed in the UN Convention on Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

## **School Context**

Beechwood Junior School is located in Bitterne on the east side of Southampton. The school opened in 1953. Since opening, the school has faced many challenges including a fluctuating number on roll from 4 form entry to 2 with only 210 pupils. As the school improved outcomes for pupils the positive reputation in the local area grew too. The school is now 3 form entry and will be fully 3 form entry in September 2017. In some year groups there are now waiting lists.

The school's success is based on our commitment to providing a broad and balanced education which promotes high standards of achievement for every child. We are an inclusive school with a successful nurture group.

## **Principles**

To fulfil our legal obligations, we are guided by a number of principles.

## **1. All pupils, families and staff are of equal value**

We see all pupils, potential pupils, their parents and carers, and staff as of equal value:

- Whether or not they are disabled
- Whatever their ethnicity, culture, national origin or national status
- Whatever their gender and gender identity
- Whatever their religious and non-religious affiliation or faith background
- Whatever their sexual orientation
- Whatever their marital status
- Whether they are currently pregnant or have recently given birth
- Whatever their age
- Whether or not English is their first language

## **2. We recognise and respect difference**

We recognise that treating people equally does not necessarily involve treating them all the same. We recognise that our policies, procedures and activities must not discriminate but must take account of diversity and the kinds of barriers and disadvantage that staff, parents/carers or pupils may face in relation to their protected characteristics:

- Disability - we understand that reasonable adjustments may need to be made
- Gender (including transgender) - we recognise that girls and boys, men and women have different needs
- Religion and belief - we acknowledge that reasonable requests in relation to religious observance and practice may need to be made and complied with
- Ethnicity and race - we appreciate that all have different experiences as a result of our ethnic and racial backgrounds
- Age - we value the diversity in age of staff, parents and carers
- Sexual orientation - we respect that individuals have the right to determine their own sexual identity and that they should not experience disadvantage as a result of their preference
- Marital status - we recognise that our staff, parents and carers may make their own personal choices in respect of personal relationships and that they should not experience disadvantage as a result of the relationships they have
- Pregnancy and maternity - we believe that our staff, parents and carers should not experience any unfair disadvantage as a result of pregnancy or having recently given birth.

## **3. We foster positive attitudes and relationships, and a shared sense of cohesion and belonging**

We intend that our policies, procedures and activities should promote:

- positive attitudes and interaction between groups and communities different from each other
- an absence of harassment, victimisation and discrimination in relation to any protected characteristics

#### **4. We observe good equalities practice in relation to staff**

We ensure that our policies and practices for all staff and potential staff throughout the employment lifecycle, i.e. from recruitment through to the cessation of employment and beyond, are applied fairly and consistently across all groups with full respect for legal rights, taking into account aspects applicable to particular groups (e.g. duty to make reasonable adjustments for disabled staff).

#### **5. We aim to reduce and remove inequalities and barriers that already exist**

We intend that our policies, procedures and activities avoid or minimise any possible negative impacts and we aim to reduce inequalities that exist between groups and communities different from each other.

#### **6. We consult and involve to ensure views are heard**

In our development of policies, we engage with groups and individuals, including pupils who are affected by a policy or activity to ensure that their views are taken into account. For policies and activities affecting pupils, we will take account of views expressed at school council; for parents, through parent governor representation and for staff, through staff governor representation. Where necessary, we will consult more widely with specific groups.

#### **7. We aim to foster greater community cohesion**

We intend that our policies, activities and curriculum offer foster greater social cohesion and provide for an equal opportunity to participate in public life irrespective of the protected characteristics of individuals and groups.

#### **8. We base our practices on sound evidence**

We maintain and publish information annually to show our compliance with the public sector equality duty, set out under section 149 of the Equality Act 2010. Our current equality information can be found in Appendix A to this policy statement.

### Equality Objectives

We recognise that the public sector equality duty has three aims, to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct under the Act
- advance equality of opportunity between people who share a protected characteristic and those who do not
- foster good relations between people who share a protected characteristic and those who do not

We have considered how well we currently achieve these aims with regard to the protected groups under the Equality Act (race, disability, gender, gender re-assignment, age, pregnancy and maternity, marital status, sexual orientation, religion and belief and sexual orientation).

Having referred to and analysed our equality information, we have set ourselves the following objective(s):

Objective 1: To narrow the gap between the performance of disadvantaged groups - including Ever6 FSM (free school meals) children, SEND children - and other non FSM children. In particular we are keen to diminish the difference between our PP pupils and non PP pupils.

Objective 2: To further develop strategies and opportunities that will prepare children for life in a diverse society including fostering respect for the differences between people and celebrate more the diversity within our community.

Key Task	To narrow the gap between the performance of disadvantaged groups - including Ever6 FSM (free school meals) children, SEND children - and other non FSM children.	To further develop strategies and opportunities that will prepare children for life in a diverse society including fostering respect for the differences between people and celebrate more the diversity within our community.
