

**Year 3 Trip to Winchester Science Centre**

Dear Parent/Carer,

On **Friday 3<sup>rd</sup> May, Year 3 will be visiting Winchester Science Centre** for an action-packed adventure. As the South of England's leading science and discovery centre, we will be part of an exhilarating journey through the world of science, technology, and maths. It is the perfect venue to consolidate our learning so far, introduce new concepts and nurture a love of science with memorable moments the children will be talking about all year!

We will watch a Planetarium show, explore two floors of hands-on interactive exhibits as well as taking part in a workshop led by the experts! What an amazing opportunity!

For this day, your child will need a packed lunch and a water bottle as usual. We will travel there and back on a coach within a normal school day so children will need to arrive at school as normal. We will not be visiting the gift shop, so they won't require any money. Due to the nature of the visit, full school uniform will be required. The total cost of the trip is **£15 per child**. Please return the reply slip as soon as possible and ensure medical information and contact numbers are up to date with the office. Please send the **payment via MCAS by Thursday 28<sup>th</sup> March**

Thank you for your continued support.

Year 3 Team

---

Please return by Thursday 28<sup>th</sup> March

Winchester Science Centre Trip
