

Dear Parents and Carers,

We are thrilled to share that our school has achieved the **Bronze Reading Charter Standard!**

This award represents our commitment to ensuring that every child has access to a high-quality reading education. Over the past year, we have worked hard to reach this milestone, alongside other schools across the city, as part of a shared pledge to prioritise reading.

At Beechwood Junior School, we place great importance on reading. Our staff are dedicated to fostering a culture of reading for pleasure and helping all children become fluent, confident readers—empowering them to succeed in their future education and enjoy the lifelong benefits of reading.

We will continue to build on our strong foundations as we work towards achieving the **Silver Award** over the coming year.

If you have any ideas for supporting reading in our school or if you would like to volunteer your time to hear children read, we would love to hear from you.

Please contact us at: info@beechwoodjuniorschool.co.uk

Warm regards,
The Beechwood Junior School Team
