

# Reading Newsletter: Spring One

What's new? Reader awards...

Bronze 25 logs on Boom

Silver 35 logs on Boom

Gold 50 logs on Boom

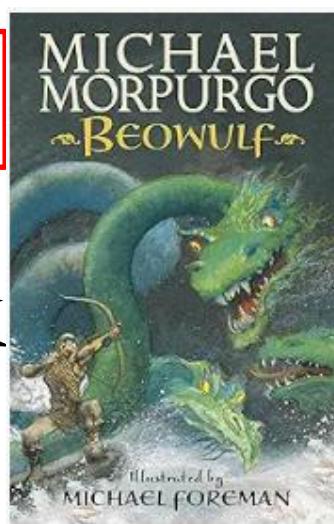

This new award scheme was launched on Monday 17<sup>th</sup> November but is still running! Children are able to start collecting reads (if they haven't already) from today: it's never too late. Many children will be collecting their silver award this term. Please ensure your children are logging their reads at home on Boom or are logging in school. Every read counts.

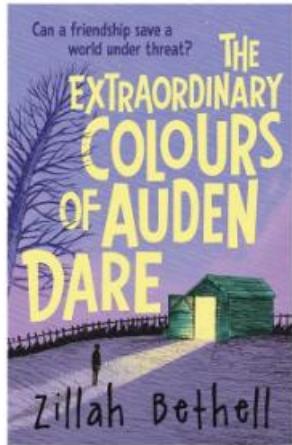

These are the texts we will be reading in Spring One.

# Author In the Spotlight

## Sharna Jackson

I'm trying to help kids thrive – especially those who are disengaged, disadvantaged and generally don't think arts, culture, reading and writing is for them.

It is. I'll make it so.

I was born and raised in Luton, lived in Brighton, London, Kent and Sheffield but now, I write from Rotterdam on [my old ship](#) – Anna Maria was built in 1897.
