Year 3 and 4 Animal Guyz Workshop

Dear Parents and Carers,

We are delighted to share an exciting opportunity coming up for our Year 3 and 4 children during the summer term.

'Animal Guyz', www.theanimalguyz.com, will visit on **Thursday 18th June**. This interactive workshop links closely with our science curriculum, supporting the children's understanding of animals and the natural world. The session uses high-quality puppetry and special effects to create realistic animal encounters, helping pupils to explore animal characteristics, habitats and behaviours in an engaging and immersive way.

We are asking for a voluntary contribution of £4.50 to help us cover the cost of this activity. This is payable via MCAS.

Thank you for your continued support.

The Year 3 and 4 Team.
